# The Hotel

**The** Rodos Palladium Leisure and Wellness Resort is set directly on the Aegean Sea and spans approximately 330,000 square feet of landscaped beachfront property. Guests enjoy direct access to the award-winning Blue Flag sandy and pebble beach of Kallithea, creating an open, relaxed, and upscale seaside atmosphere.

**The** resort combines spacious grounds with a full range of modern amenities, creating a comfortable and well-balanced environment for both families and couples. Located just 9 miles (approximately a 20-minute drive) from Rhodes International Airport, the hotel is easy to reach while still feeling private and removed from congestion.

**The** historic Old City of Rhodes is only 5 miles away, offering world-renowned history, culture, and dining. Faliraki, located 2.5 miles from the hotel, features shopping, and cafés. Guests can also enjoy nearby water sports and one of Europe's largest water parks, located just minutes from the resort.

Babysitting for children ages 0–2 available upon request.

# Jewish Life

**Pesach** at the Rodos Palladium is centered around a strong and authentic Yom Tov atmosphere, designed for families who want to experience Pesach properly, comfortably, and without compromise.

The Jewish program focuses on tefillah, Torah, and a proper Yom Tov rhythm, presented in a calm and familiar way that reflects the expectations of American Orthodox families.

## Tefillah & Torah

Daily Shacharis, Mincha, and Maariv take place in a dedicated shul arranged specifically for the program, with proper seating and a respectful Yom Tov setting. Tefillos are led by experienced chazonim, including Cantor Itzik Fried, following a traditional nusach that enhances the Yom Tov experience.

Daily shiurim and divrei Torah are delivered by respected rabbonim, including Rabbi Menachem Nissel, Maggid Shiur at Yeshivas Yishrei Lev.

## Sedarim & Yom Tov Experience

The Pesach Sedarim are conducted in an organized and dignified setting.

Private Sedarim are available upon request, subject to availability and advance coordination.
